

A'INYA

Alexander Ochege

Verse 1

God can make the world in one day, but HE made the world in six days,
as it's written in the book of life, for the whole world to see.
There's a time for everything under the sun, if you ponder on the WORD OF GOD,
you'll find the strength you need.

to you you're just enjoying yourself,

you'll find the strength you need
