

## **MORE BEAUTIFUL THAN HEAVEN**

I think about the streets of Gold, i think about the glassy sea....

the millions of Angels, singing HOLY IS THE LORD.

I marvel at such beauty, and how Heaven is, but with this great and awesome Beauty, YOU choose to live inside of me.

CHORUS

I'm more beautiful than Heaven this I know, this I know, I'm more beautiful than Heaven, cuz YOU live inside of me, YOU live inside of me.

Stanza Two.

So when I take a look at me now, it doesn't matter what I see,

cuz THE WORD OF GOD is greater, than what I think of me,

I'm changing by His power, I'm transforming into CHRIST!,

I'm an awesome NEW CREATION, unveiling to the world ...YEAH YEAH!!!

(CHORUS)

You may be wondering who is He that lives on the inside of me

that makes me more beautiful than Heaven.....do you want know????(2x).

He is the God of awesome wonder...He is the God of all creation...He is the ruler of the universe...He is the bright and morning star, ..He is the GREAT AND MIGHTY GOD.....HIS NAME IS **JESUS!!!**.

I'm more beautiful than Heaven this I know, this I know, more anointed than Angels, cos JESUS LIVES...IN ME.
