

YOU ARE WORTHY

FIRST STANZA

I was sitting by my window watching the Sun rising from the east
I can't help but say You're worthy, worthy of my praise....,
The beauty of creation shows,
Your love for me is everywhere,
You are worthy, worthy of my praise.

CHORUS

You are worthy, You are worthy, worthy of my praise -(2times)

Jehovah... You are worthy, You are worthy, worthy of my praise.
Adam(meaning my Father) eh, You are worthy, You are worthy, worthy of praise.

SECOND STANZA

I woke up this morning with birds singing around me,
Hallelujah I'm alive today, You are worthy, worthy of my praise.
With bomb explosions everywhere, You kept me safely through it all
You are worthy, worthy of my praise.
It's not because of who I am, but all because of who You are,
you are worthy, worthy of my praise.

(CHORUS)

THIRD STANZA

I lift my hands to worship, the King of Glory, the King of the universe ,
I worship You, cos You are Lord of all the earth.
I lift my voice to worship, the King of Glory, King of the universe,
I worship You, and You reign over all(CHORUS)

ENDING

I woke up this morning with birds singing around me, Hallelujah I'm alive today
You are worthy, worthy of praise.
