

# Ancient Yet New

*Daniel 12:10*

Ancient yet New  
Ancient yet New  
Refining Your bride  
She is ancient yet new  
Spotless and white  
Full of Your light  
Pure in Your sight  
She is ancient yet new.

Oh Ancient of days  
Inhabit our worship  
Release Your bride's praise

Oh Ancient of days  
The Bridegroom is come  
He is Ancient yet new!

Ancient yet new;  
God of the ages  
Ready Your bride  
You are coming...You are coming

Oh Ancient of days  
Inhabit our worship  
Release Your bride's praise

Oh Ancient of days  
The Bridegroom is come  
We are ancient...we are ancient  
Yet new!
