

# Song for the Intercessor

*Psalm 126*

I come to sing  
I come to dance  
I come to share My heart and let My Spirit bring you....  
Into My song  
Into My step  
Into the place where My heart beats  
and it bleeds for this world!

Are you ready to go there?  
Are you ready to see what I see?  
Are you ready to touch My heart of agony?  
Are you ready for My mark of pain?  
Are you ready to hear My cry through you?  
Are you ready to know the place of My suffering?  
Are you ready to go there?  
Are you ready to see what I see?  
Are you ready to share the Heart of My suffering?

Cry and travail  
Weep My tears...you weep  
Cry and travail  
Writhe in pain for those who sleep  
Cry and travail  
Weep My tears, through you, I weep  
Cry and travail  
Sow My tears, My joy...you'll reap

You come to sing  
You come to dance  
You come to share My heart and let My Spirit bring you....  
Into our song  
Into our step  
Into the place where our heart beats  
and it bleeds for this world!

Are you ready to go there?  
Are you ready to see what I see?  
Are you ready to touch My heart of agony?  
Are you ready for My mark of pain?  
Are you ready to hear My cry through you?  
Are you ready to share the Heart of My suffering?

You are ready to go there?  
You are ready to see what I see?  
You are ready to touch My heart of agony?  
You are ready to be marked with pain?  
I made you ready to hear My cry through you?  
You are ready to share the Heart of My suffering?
