

# The Way of the Cross

*Matthew 10:38, Romans 8:17*

Take me to Your cross  
where Your Prince of glory died  
where Your blood ran down,  
and the water flowed  
and Your Spirit testified  
Take me to Your cross  
where for the joy that set before  
You endured my suffering  
took all my shame  
that my sin would be no more

The way of the cross  
The way to raise Your life in me  
You have died upon my cross  
Your perfect will to set me free  
The way of the cross  
Your death has given Life to me  
In the perfect sacrifice  
You shared my suffering  
in Your glory  
The way of the cross

Take me to my cross  
To the place that I despise  
let me carry this  
as I follow you  
let my will be crucified  
Take me to my cross  
let Your living water flow  
as You wash me clean  
through our suffering  
You bring a glory all Your own

The way of the cross  
The way You raise Your life in me  
I will take up my own cross  
Deny myself to set You free  
The way of the cross  
My death to give You life through me  
As a living sacrifice  
I share Your suffering,  
Then Your glory.  
The way of the cross
