

# THE KEY

By Alexander Ocheга

Ah ah ah ah..... Ah aaah... Ah..aaah.

Ah a a ah..... Ah aaah ah ah aah

## *First Stanza*

I like the way that you listen to me, when my heart is overburdened... Uuuuuh ,You have the way that You speak to my heart ,when the questions of life are overwhelming.

When I look at the world, the world isn't fair, then You came along, and You opened the door.

## *Chorus*

You are the Key  
You are the Key  
You are the Key  
That opens the door

You are the Key  
You are the Key  
You are the Key  
That opens the door

You are the door  
You are the Carpenter  
You are the Key  
That opens the door

You are the door  
You are the Carpenter  
You are the Key  
That opens the door

## *Second Stanza*

I have been asking, and I, I have been seeking, but the questions of life were overwhelming for me .

I have been knocking, but my eyes couldn't see that the doors of life were opened for me, then You came along ,and You set me free, when You opened my eyes to see it opened for me..

*Chorus*

Oh oh ooooh.. Oh oh ooooh, Oh oh ooooh,..Oh oh ooooh

Oh oh ooooh.. Oh oh ooooh,  
Oh oh ooooh.. Oh oh ooooh,

Oh oh ooooh.. Oh oh ooooh, Oh oh ooooh,..Oh oh ooooh

*Third Stanza*

Lift up your heads, ye ancient doors, be lifted up, for the King is coming ,

Lift up your heads, ye ancient doors, be lifted up, for the King is coming ,

Lift up your heads, ye ancient doors, be lifted up, for the King is coming

*Chorus*

You are my everything, now I know, You are the Key, that opens the door,  
You are the door, you are the carpenter, you are the key, that opens the door.

Oh oh ooo, uuuuuh  
You are the key..
